## Container Oval

---

A new versatile family member enters the Container Table series by Marcel Wanders. Available in the same materials & colours as its sibling, it combines soft, rounded shapes with a slender body: a dream of many. Find the perfect Container Table Oval for your needs or those of your home, working area or public space.

## technical

All Container table tops all attach to the container foot in the same way. The Container concept is that sand can be added to the foot to give it strength and stability. Water must always be treated with an anti-algae additive to prevent the water from becoming stale. There are Hex-bolts on the underside of each table which align with equally spaced holes in the mounting disk.

Maximum divided load per m<sup>2</sup> = 100kg

## cleaning instructions

Moooi recommends using a good furniture polish and a soft cloth. Apply generously in layers to the surface and use the cloth to shine. Do not use abrasive fabrics, gently remove tough stains with warm water and a trusted multi-surface cleaner.
