# Menagerie of Extinct Animals Duvet Cover Set

MOOOI

Look closely and discover a lush and richly illustrated world brimming with life. The Menagerie of Extinct Animals duvet cover set, from the Extinct Animals bedding collection, turns your bedroom into the most inviting space in the house. The reverse side of the duvet cover and pillowcases features a stylish circle pattern, inspired by the characteristics of the extinct Umbrella Squid. The pillowcases have an Oxford edge and luxurious flat piping. The shiny 100% cotton sateen weave feels wonderfully soft and gives the duvet cover set a luxurious look.

---
